SUMMARY

Business Administration student with hands-on proficiency in Python, SQL, Power BI, Tableau, and digital marketing, having executed campaigns and built the analytics behind them. I can diagnose where marketing spend is working and where it isn't, without needing someone to translate the business context. What sets me apart is the ability to work across both sides: building the strategy and then measuring it with data, so decisions are grounded in numbers rather than assumptions.

WORK EXPERIENCE

Co-Founder & Lead Strategist | TriSyn Media **Nov 2025 - Oct 2026**

- Rebranded an artisan business for international market entry, leading name selection, logo design, product catalog, and full print collateral (flyers, standee, visiting cards), and migrating existing social accounts to the new identity across platforms
- Retained a 10+ long-term client base by delivering data-driven marketing strategies and acquired first paying clients within 3 months through market segmentation and personalised outreach targeting local SMEs

Social Media Manager Intern | Public Administration Association of Pakistan **Aug, 2025 - Feb, 2026**

- Grew the organisation's LinkedIn to 1,000+ organic followers with zero ad spend, publishing 160+ strategic posts and using monthly analytics to continuously refine content format, timing, and engagement rate
- Sustained an upward engagement trend over 6 months by maintaining content consistency and adapting strategy based on monthly analytics

VOLUNTEER WORK EXPERIENCE

Ambassador - Lincoln Corner, University of Sargodha **Apr 2025 - March 2026**

- Progressed from attendee to facilitator, delivering sessions to university students on graphic design and to school students on space exploration and generative AI, including hands-on prompt engineering workshops
- Grew from volunteer to operations lead over a 1-year tenure, independently planning events, coordinating speakers, and managing end-to-end execution across 50+ programmes serving 8,000+ visitors

Ambassador - Bano Qabil, Alkhidmat Foundation **Aug 2025 - Jan 2026**

- Recognised as a top-performing volunteer with a fully funded sponsorship to the International Volunteer Day (IVD 3.0) Conference, Islamabad, evaluated 2,000+ exam papers for result analytics and coordinated candidate registration and invigilaton for 10,000+ students across a 500-person volunteer team

SMM / Media Head - MFKNBS, University of Sargodha **Dec, 2025 - Present**

- Improved page consistency and content quality as Head of Media Society, leading a team of 8 to establish a structured publishing calendar, resulting in timely uploads and improved visibility after a period of irregular posting

Event Management | MFKNBS & WWIC, University of Sargodha **Apr 2025 – Dec 2025**

- Delivered smooth execution across 3 large-scale institutional events, CEO Forum, SEE Pakistan Regional Round, and 3rd ICSB Conference, managing sponsor relations, stall allotments, and on-site logistics for 150+ student-led startups, resolving on-site challenges in real time and earning repeat assignment for all subsequent events
